Back in the day, if you didn't have any of the premium cable channels—you were screwed. Today, with more A-list Aphrodites jackin' up their Q ratings with *meaty* TV work (Lena Headey, Ali Larter, Rebecca Romijn, Salma Hayek), there are *lustables* available right in your living room! And let's not forget the bizarro dimension known as "Reality TV," where a hottie can become an overnight spectacle by... being...hot...? (Kim Kardashian, Trishelle Cannatella), while fallen stars (Denise Richards, Tawny Kitaen) reap their faded glory. No longer the TV set—it's the *T&A machine!*—Lilshametongue

FRESH FLESH

The Hills are alive...with the sight of Whitney Port's nipple poppin' out in public! Did it want a sip of iced tea? *Fleshier & fresher*: Gemma Atkinson at sea, Lily Allen *on the loose*, *Footballers' Wives*—& more!

WHITNEY PORT

TIT-NEY!: She's stood out—and apart—from her co-starlets on MTV's smash-hit "reality" series *The Hills* as "the one with class, discretion and restraint"—relatively speaking, of course, seeing as we're talking about a show in which a gaggle of Laguna Beach girls air their dirty laundry worldwide, all the while *pretending they're not on a show!* Whitney, though, with her patrician beauty and *actually personal* personal life, intimates that still waters run deep—if only because she doesn't *babble!* This elegant blonde with the *plump pouter* and princess airs graduated from USC in 2007 with a degree in gender studies. Next? Her own reported spin-off show...in NYC!

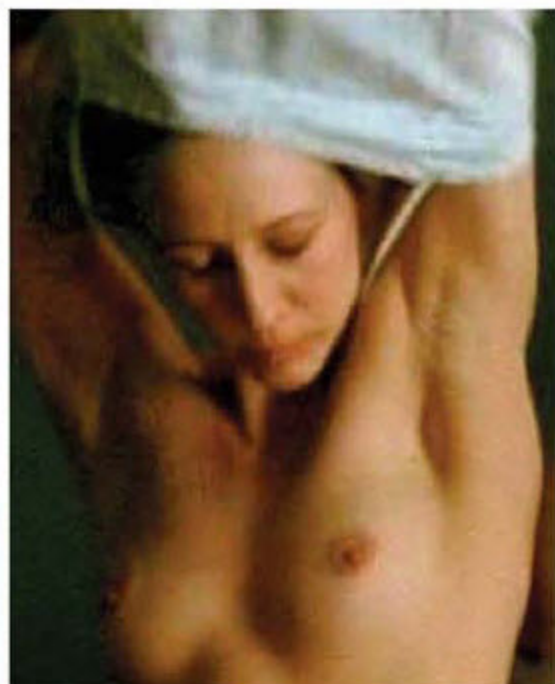

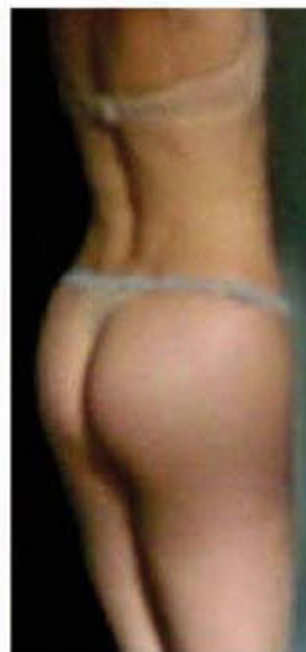

PORT'S PRURIENT PEEKABOOB!: L.A. good girls don't go to Heaven—well, *at least* not until they go to The Ivy on North Robertson for lunch! Notorious as *the* "scene for being seen," The Ivy offers a \$25 Cobb salad & plenty of **Celebrity Skin!**

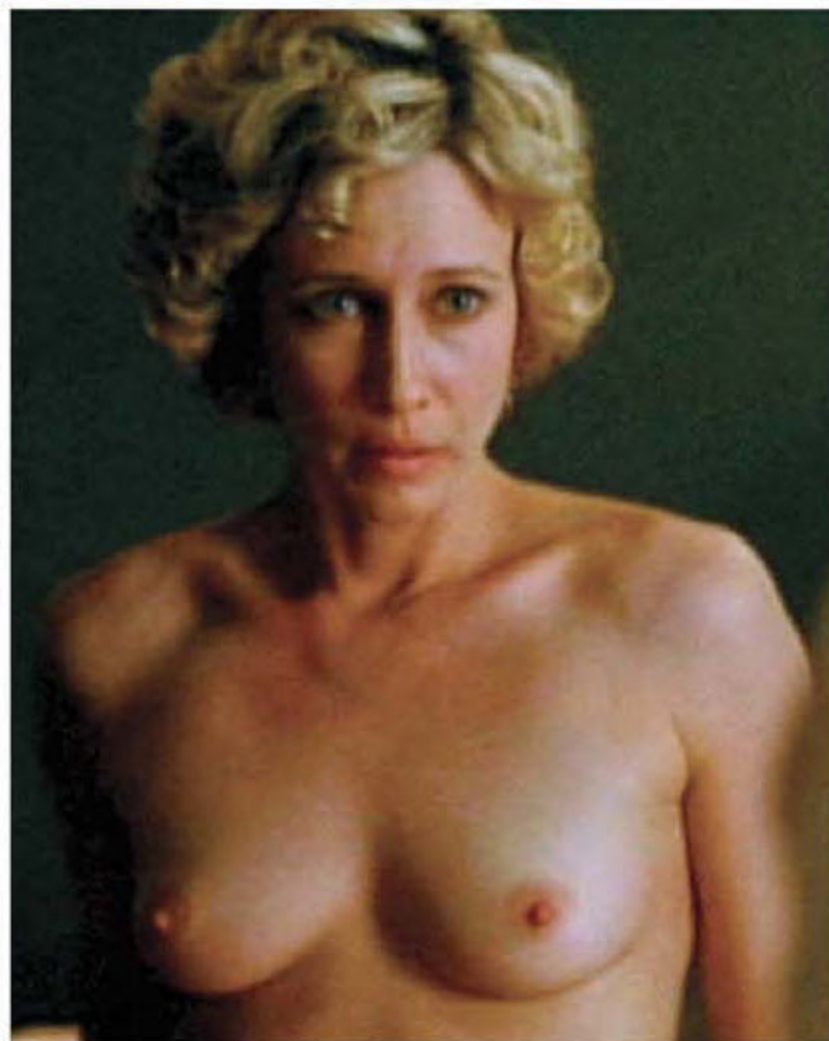

VERA FARMIGA

VERA FOREVER: In her latest *all-out* outing, *Never Forever* (2007, spread), New Jersey native Vera will make your pike turn with her tasty T&A revelations in the indie sperm-bank drama. She plays the wife of a sterile man who's bent on getting knocked up by any means necessary. Fortunately, *all* those means involve baring her bottomless *Southern State Parkway* and *ripe Jersey tomatoes*. We like how consistently skin-happy Farmiga's career is shaping up, and are pleased to learn that die-harders of this Ukranian-American—who didn't speak English until she turned 6—are so devoted to her delights that they set up MySpace.com/VeraFarmiga.

BUY THIS DVD

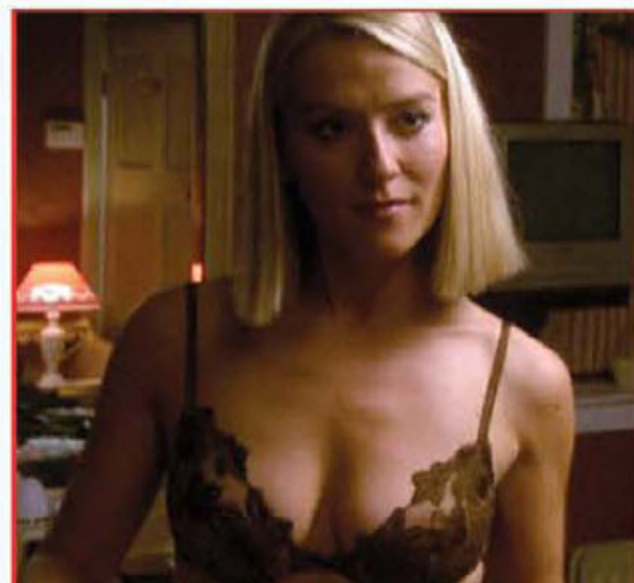

FERTILE FARMIGA: In *Never Forever*, as Sophie, Vera has a *lot* of graphic sex with an illegal Korean immigrant in her desperate efforts to bake a bun in her oven, which her Korean-American hubby cannot provide. Talk about putting out to stud!

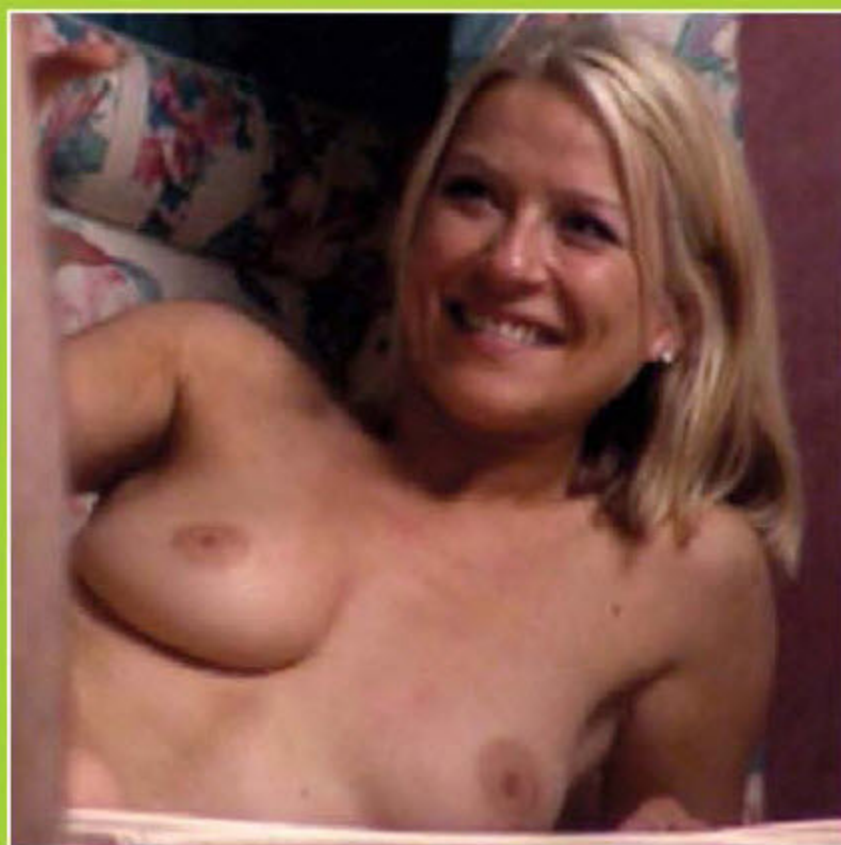

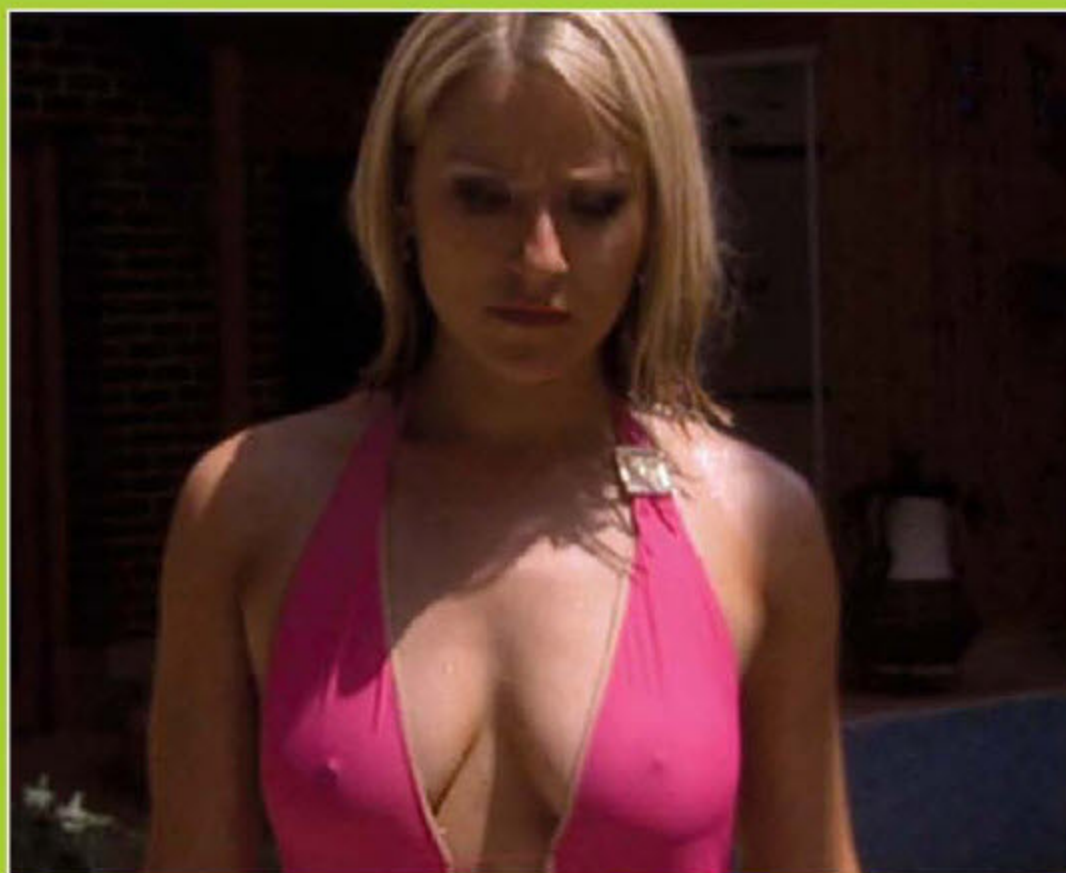

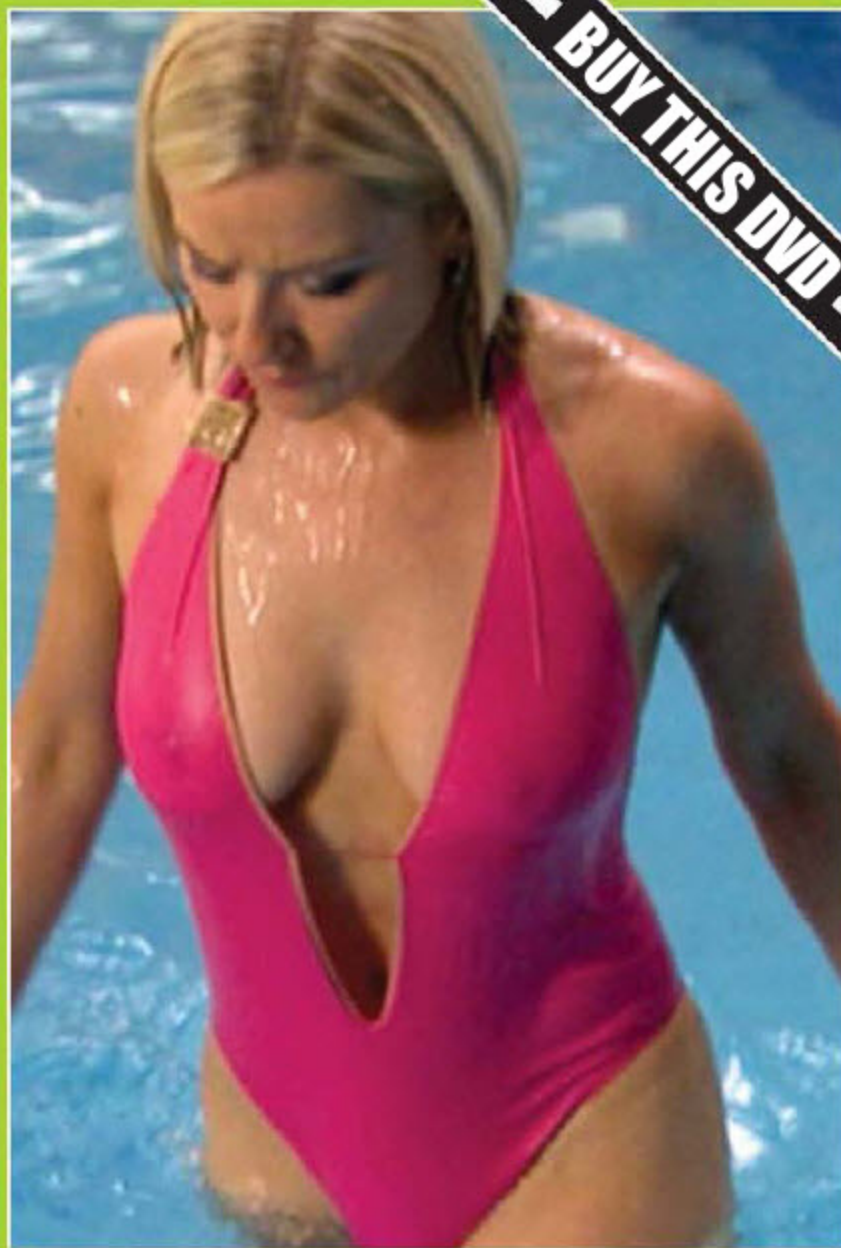

Footballers' wives\$

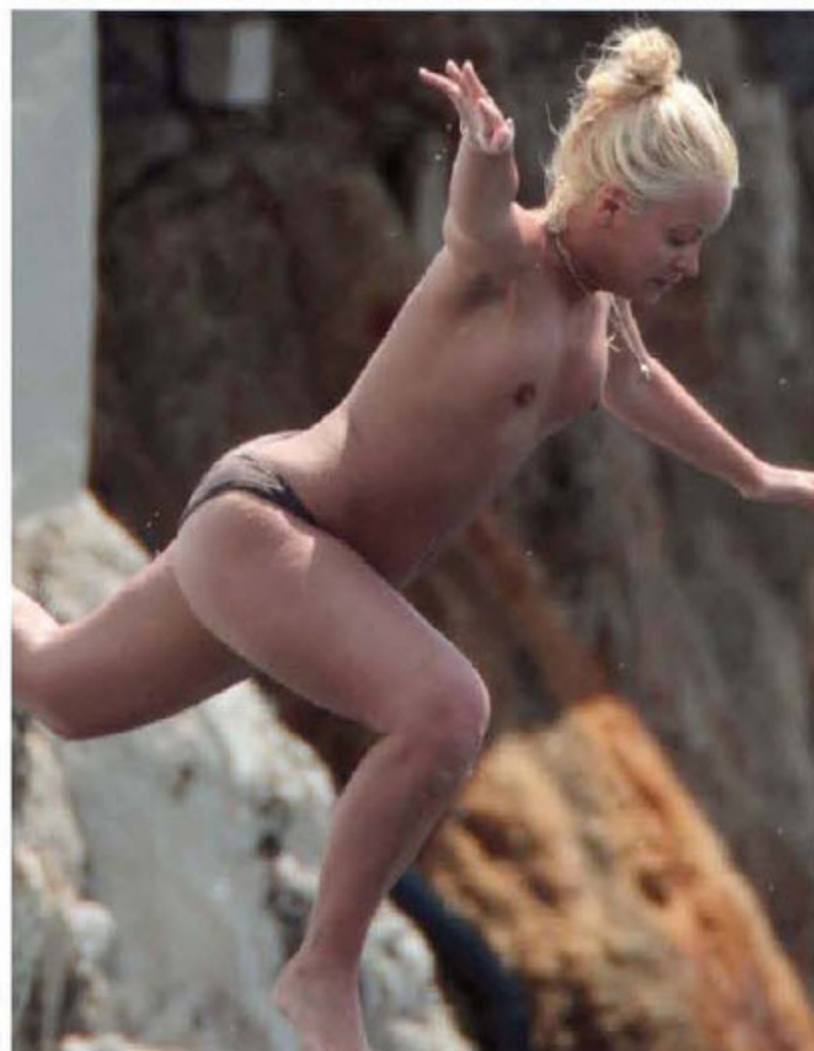

Footballers' Wives may do for football (soccer to ya?) what not even the World Cup can: get red-blooded American men stoked for the sport! This nonstop-racy, wild Brit export details the rich-'n'-trashy prurience of the hottie "WAGs" (Wives & Girlfriends) of the players of fictional premiership football club Earls Park F.C., who screw—a *lot*—shop, connive & brag: "I've *always* loved my pussy."

Zöe Lucker (right) is Tanya, Head Bitch in Charge of the WAGs gaggle. She's wife to the womanizing captain of Earls Park, but learns the art of "hole-goaling" for \$! Brazen brunette Susie Amy (opposite) plays Chardonnay (reportedly a take on alpha-WAG "Posh Spice" Beckham), a model-cum-*literal*-soccer-mom! Micaiah Dring (middle), Sarah Barrand & Katherine Monaghan are also *kit*-worthy kittens!

LILY ALLEN

PUNKY PRINCESS: Lily is the goddaughter of late Clash singer and guitarist, Joe Strummer. She also has a third nipple!

LILY PADDING!: This North London *naughty-er* pop-tarted with her reggae-tinged hit, "Smile," off her debut album, *Alright, Still*, nominated for a 2008 Grammy Award as "Best Alternative Music Album." Since, this feisty hot mess has been *tit-illating* tabloid fodder, with her penchant for the *drinky-drinks*, public displays of *wasted*, habit of speaking her mind & more—not the *least* of which we give you here: Lily *booby-bronzing* at the Hôtel du Cap Eden Roc on the French Riviera, playland of the rich, debauched & *topless*!

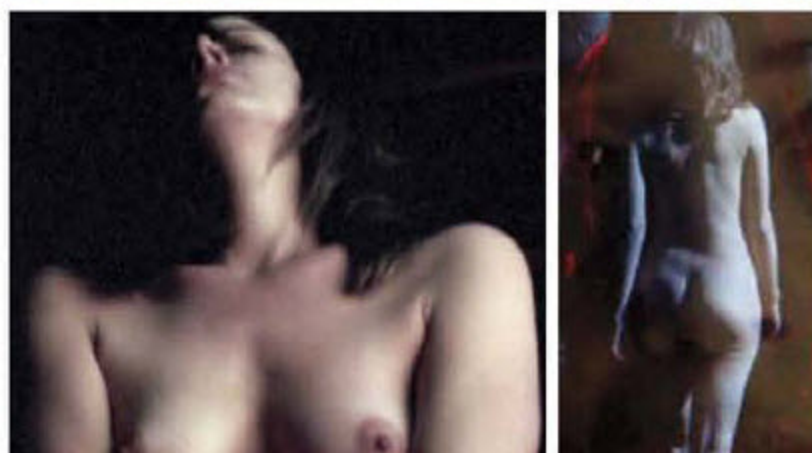

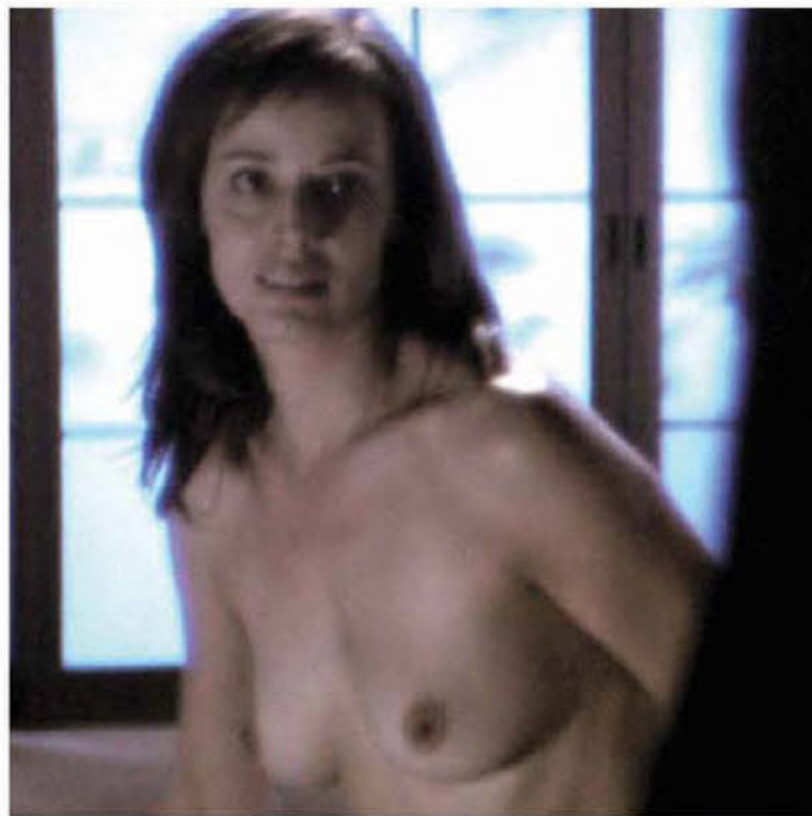

LILY & HER VALLEY: She dealt ecstasy in Ibiza, setting her *sensualist sights* early, a drop-out who didn't want to "spend a third of her life preparing to work for the next third of her life, to set herself up with a pension for the next third of her life."

LARA HARRIS

LOVELY LARA: Elegant, long-limbed, curvy-where-it-counts Chicago native Lara kicked off her career as a model, even appearing as herself on the 1994 Fox series *Models, Inc.* She's evolved into a movie actress of smoldering—and frequently *naked*—intensity, incorporating her dark-eyed guile and flawless physique into moving performances in films such as the horror anthology *Trapped Ashes* (2006, this page), high-kink sci-fi thriller *Circuit Breaker* (2003, opposite, bottom right) & roughneck actioner *The Zone* (1996, opposite). This *mammjestic* multitalent also wrote, directed & starred in the short *9 1/2 Minutes*. Good for 9 1/2 inches!

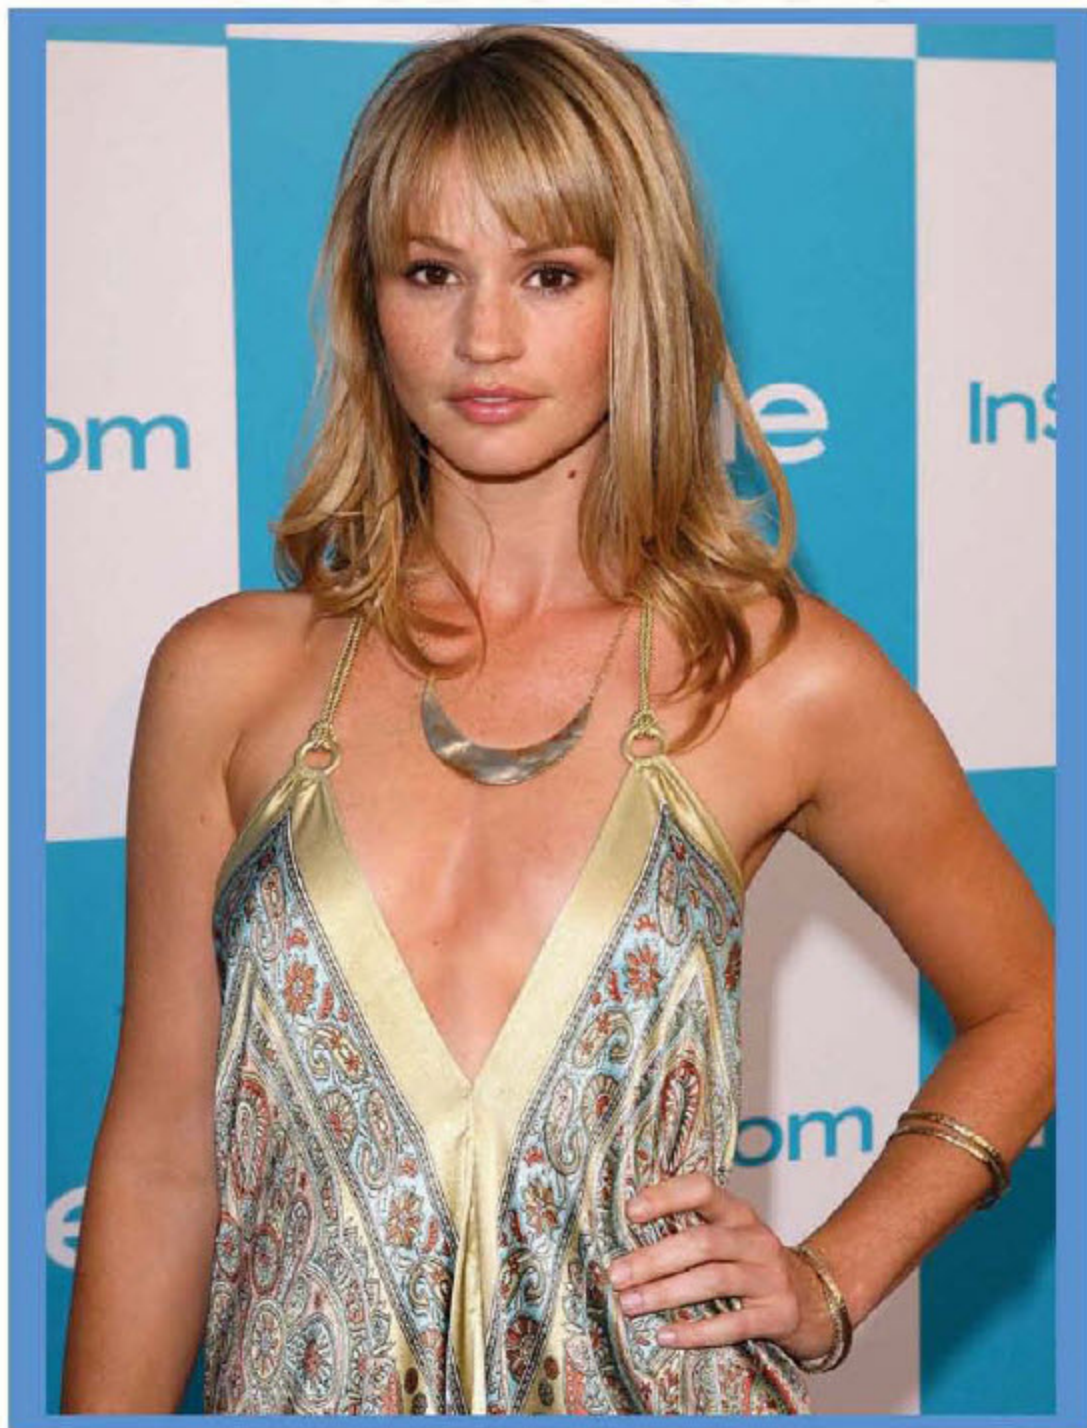

— BUY THESE DVDS —

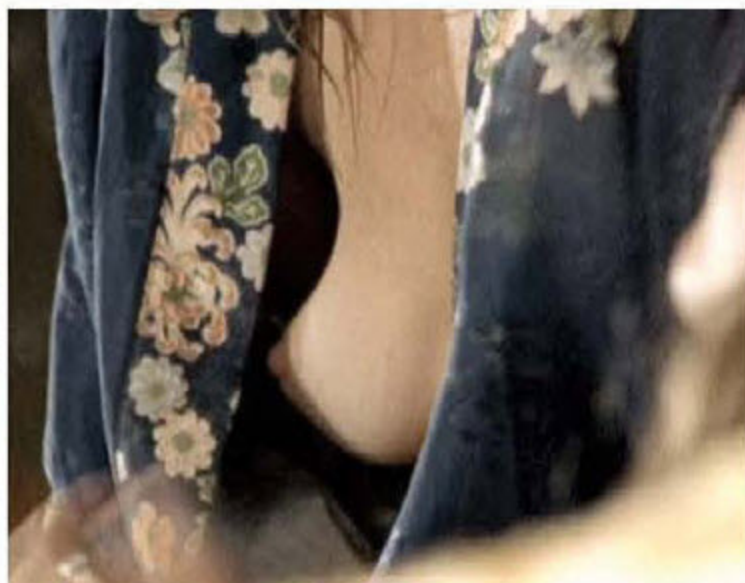

HONEY-SUCKLE HANDFULS OF HARRIS: Whether baring her emotions or her sumptuously sophisticated body (or, best of all—both!), lithe, refined Lara never fails to light up a screen, seemingly illuminated from within by entrancing eroticism!

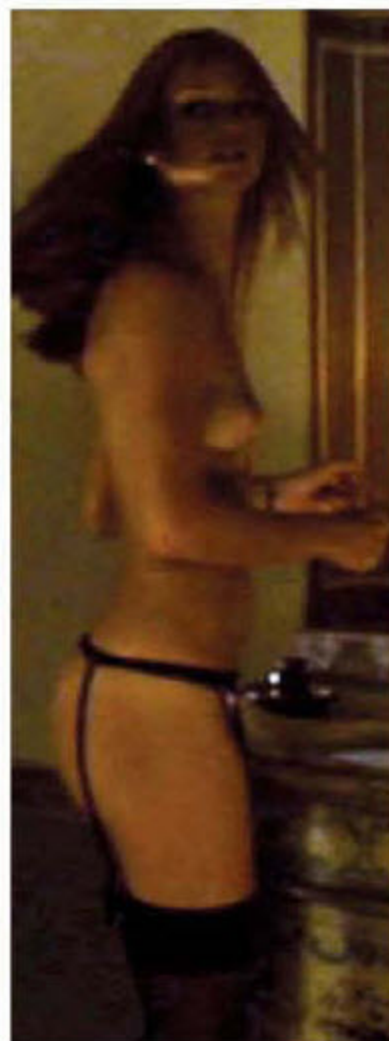

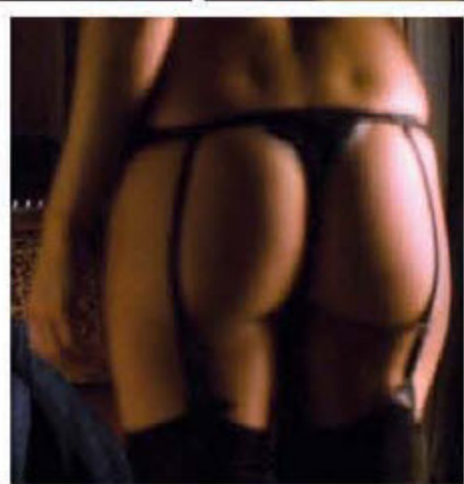

CAMERON RICHARDSON

CAM SLAM: "I'm just a regular girl who likes to go snowboarding and picks her nose like anybody else. I just like to drive into things and take risks." *You can drive us crazy anytime, Cam....*

CUTE AS A BUTTON: Cutest unbuttoned, Cajun-spiced Cam's a former runway ravisher who's taken her boobs to the tube—buns, too. She got us *brandishing the big gun* as Celeste Arno on TV's *Cover Me*, as we bore witness to her most wanted and wankable wares, then finally got our *crawdaddies in a boil*, puttin' the Cayenne kick in our knickers with an ice cream-melting topless makeout in *The Good Humor Man* (2005, here). *Nice cones! 2 scoops of yum!*

— BUY THESE DVDS —

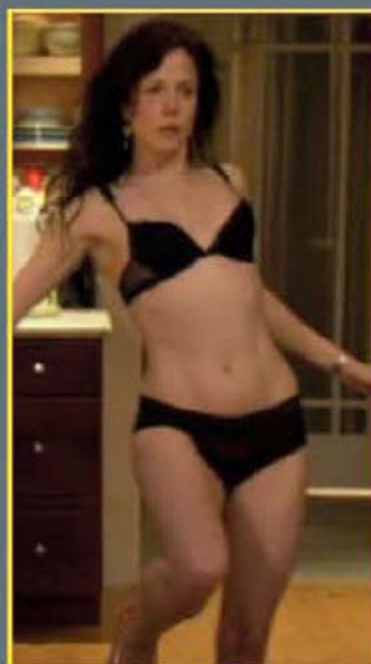

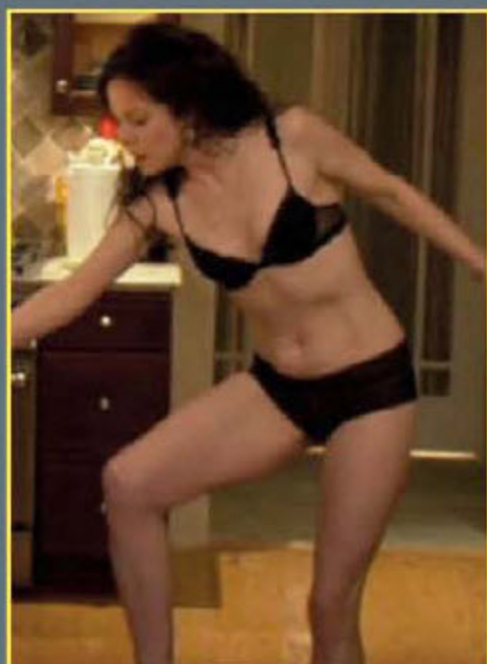

NUDE ORLEANS: Cam, as Collette, is lured by Lucy Liu in *Rise: Blood Hunter* (2007, above), looking so striking in garters, stockings & little else that she's a guaranteed break from the *tedium*! Her chassis is ultra-curved, cuppable and, oh, so classy!

weeds

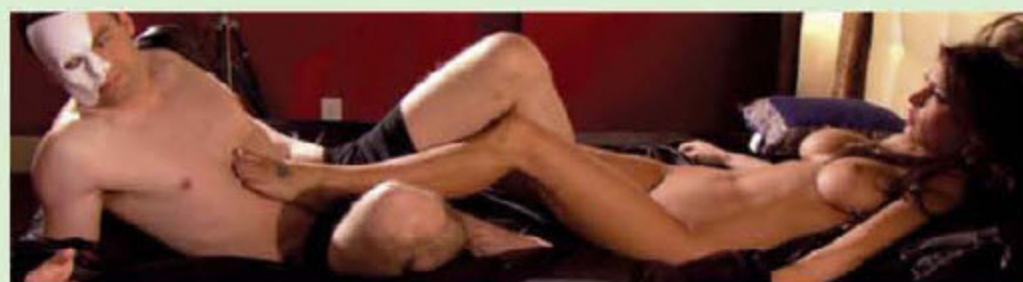

Fans of *heady hotties* should *not* puff-puff-pass on Showtime's cannabis-powered suburban satire, *Weeds*. Mary-Louise Parker plays a pot-peddling soccer mom, & the effect of her enterprise on local horny housewives is like a bake-off...literally! Mary-Louise herself reveals a tail tattooed with a U-turn sign. What a U-turn-on!

Some *Weeds* women have bushes as full and lush as a field of Colombian Gold, or check out big-boobied, bare-pubied Jessica Jaymes as she struts in the buff alongside cropped-crotch beauty Brooke Langton!

GEMMA ATKINSON

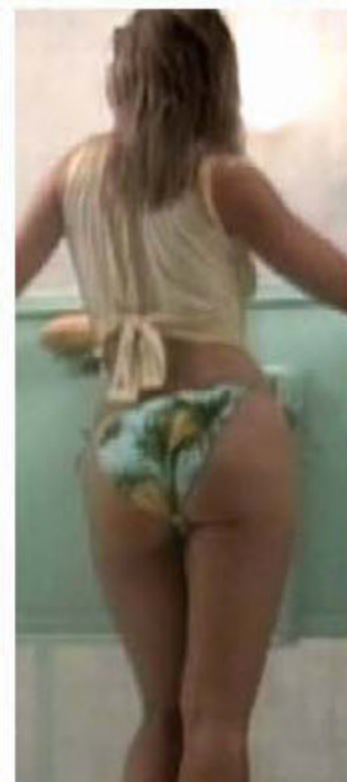

GEMMA'S JIGGLERS: "They're a 34D. I read somewhere they were a double F! I wouldn't be able to walk! All people ask about is boobs. It's like the whole nation is obsessed with my boobs."

BIG-CUP BOMBSHELL!: Our favorite UK glamour model, juicy-fleshed, jewel-eyed Gemma came up—and out, up top—on the popular Brit soap *Hollyoaks*. As Lisa Hunter, she became an overnight *sinsation*, good-girl guilty pleasure & household name! Her *poundable* popularity led to *Hollyoaks* spinoffs: *Hollyoaks: Let Loose*, *Hollyoaks: In the City* & *Hollyoaks: After Hours*. Her 2009 pin-up calendar, shot in Thailand, is available come November!

GEMMA'S SUCKSET GETS WET!: In early 2006, Gemma got a boob job, taking her from mouthwatering mouthfuls to 34E whoppers! At 23, she's currently the face (and jugs!) of a new bra brand called Ultimo D-G, which caters to *big-titty babes!*

RACHEL VELTRI

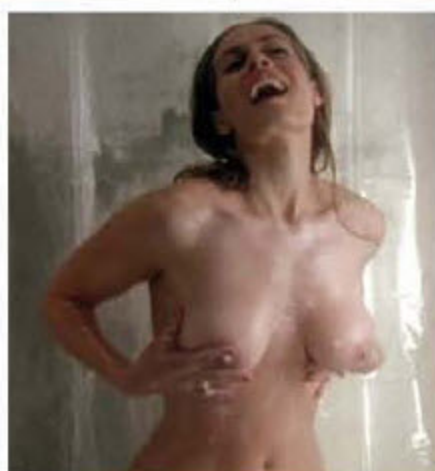

FOX FACT: Rachel's appeared on over 60 romance novel covers; now guys can *finally* buy the damn things without shame!

SUL-TRI: Reality show-bred Rachel's probably most famous for her high-ground, spin-on-her-heels walk-away from a cool million on *For Love or Money*; she picked the *honey* over the \$, gaining the ire of gold diggers! Lucky and plucky, she parlayed that choice into movie roles that'll make ya "freeze, seize & self-please!" In *American Pie Presents: Band Camp* (2005, top right & below), she's Dani; find her in the DVD special features as part of a quartet of quivering pickers who *bum-strum* to the tune of "Baby Got Back!"

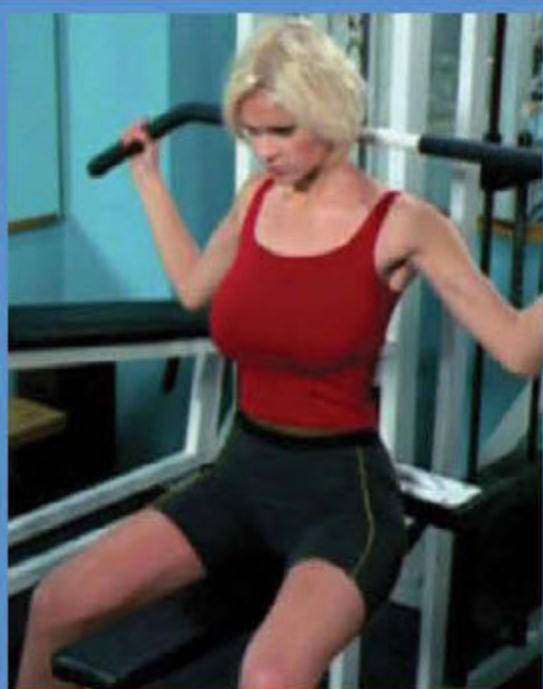

BUY THESE DVDS

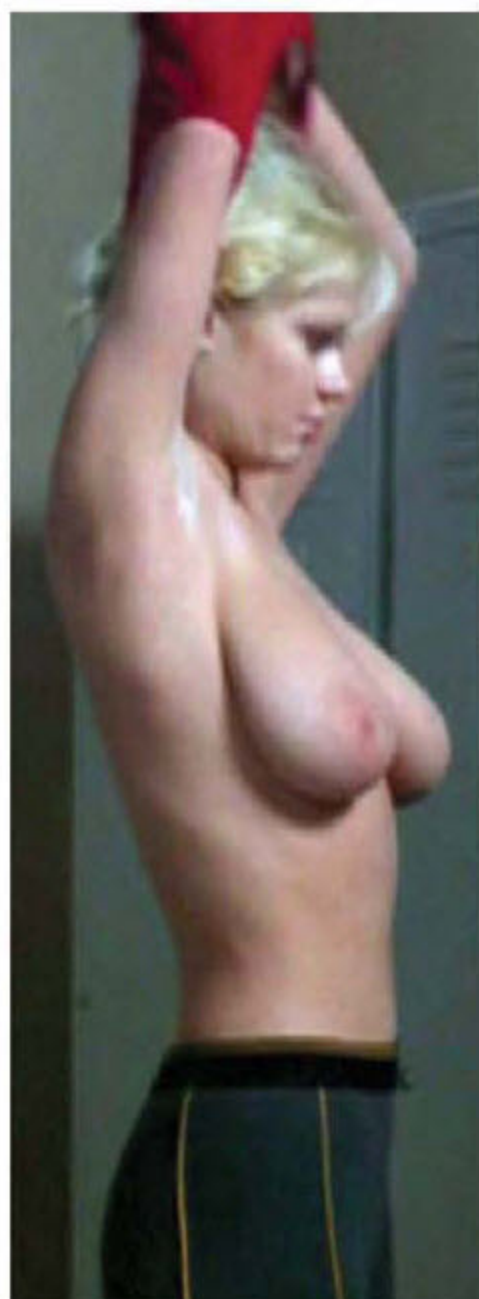

RUB-A-DUGS: Trap your ass on the couch for *Trapped Ashes* (2006, opposite bottom right & this page, all), as Rachel's newly implanted, *magical boobs* are...*bloodthirsty!* Directed by Ken Russell, she's: "The Girl with the Golden Breasts." *Indeed!*

MONIKA VERBUTAITE

ENDANGERED MEATIES: The taut-yet-curvaceous, supple-yet-abundant, impossibly-alluring-yet-udderly-all-natural brickhouse bod of B-movie starlet Monika Verbutaite is truly best described as "out of this world." This makes her the ideal target, then, for space aliens obsessed with collecting human females in the saucy Eric Roberts sci-fi romp, *Endangered Species* (2002, spread). Whether teasing the E.T.'s by flexing her gorgeous form at the gym, flashing her T&A in a locker-room, or scrubbing her fantastic, full-frontally nude *mega-boobs* and nethers in a shower, Monika displays the sort of allure that calls for a *very close encounter of the 69th kind!*

POTENTLY VERBOTEN?: Despite her delectably *real-deal*, DD-cup dreamboat build, *Endangered Species* remains Monika's only film credit to date (in England, the movie is known as *Earth Alien*). Is she simply *too hot* to capture on camera?

Californication

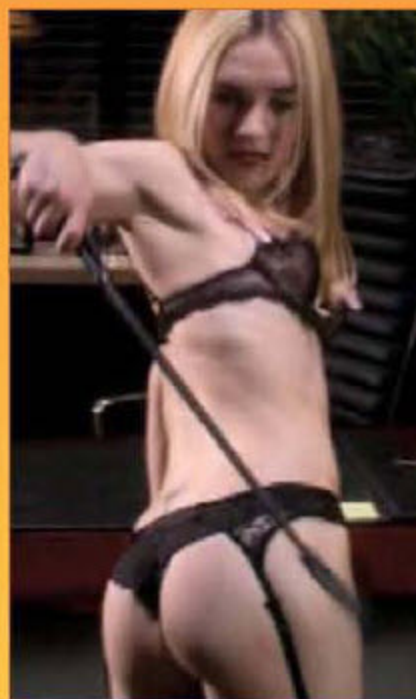

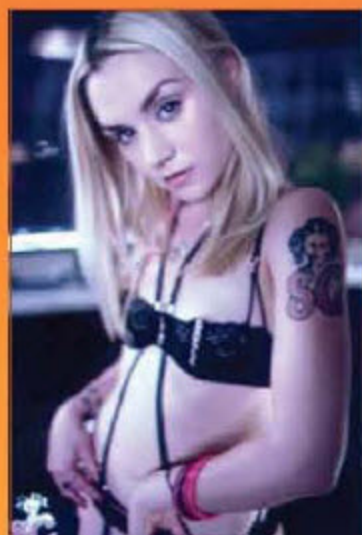

Showtime's series sneers at "Hell A" — its fornicators, above all — giving David Duchovny career Viagra & showcasing his comic chops as Hank, a writer & dad who broods over "the simple life" he believes he left in NYC...even as he partakes, *liberally*, of both booze & L.A.'s horny, vexing lovelies. Call it: Wallowing While She Swallows. Some guys get all the *cool* problems. And get laid — a *lot* — too.

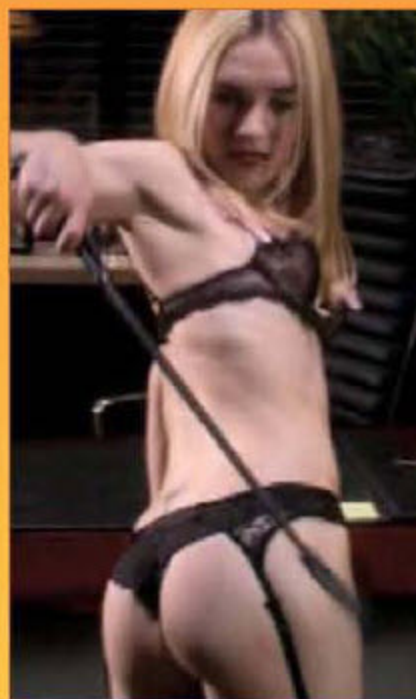

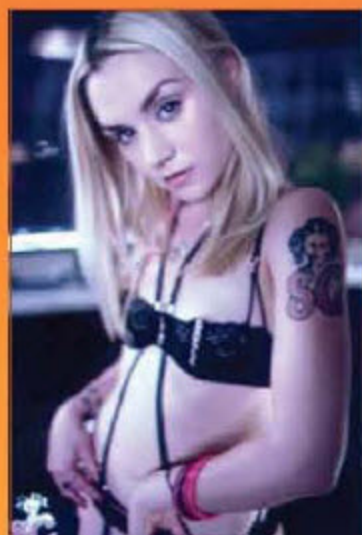

Duchovny's Hank, the reluctant Angeleno, gets hit on—& hit by—myriad *alpha thigh-spreaders*, whose hang-ups showcase his flaws (right between their tits!). Writer's block never looked so good.

HEADEY STUFF: Before she took on the title role in *Terminator: The Sarah Connor Chronicles*, Lena seemed anything *but* bad-ass (albeit gorgeous) in films like *Waterland* (1992, top) & *Aberdeen* (2000, above). We rejoice in her lusty maturation!

ALI LARTER

CALLING...ALLEGRA?: Before taking on the world as knockout Niki Sanders on *Heroes* (this page), Ali redefined the possibilities of dairy-based dessert toppings by donning a whipped cream bikini in the raucous football drama *Varsity Blues* (1999, opposite, top). Between such highlights, she drove men *lust-mad* via scantily clad turns in *Final Destination* (2000), *American Outlaws* (2001) & *Jay and Silent Bob Strike Back* (2001). Former real-life model Ali rose to fame as a *fictitious* model named Allegra Coleman, profiled in a '96 "prank" article that ran in *Esquire*, alleging she romantically ran roughshod over Quentin Tarantino & Woody Allen, among others!

BUY THIS DVD

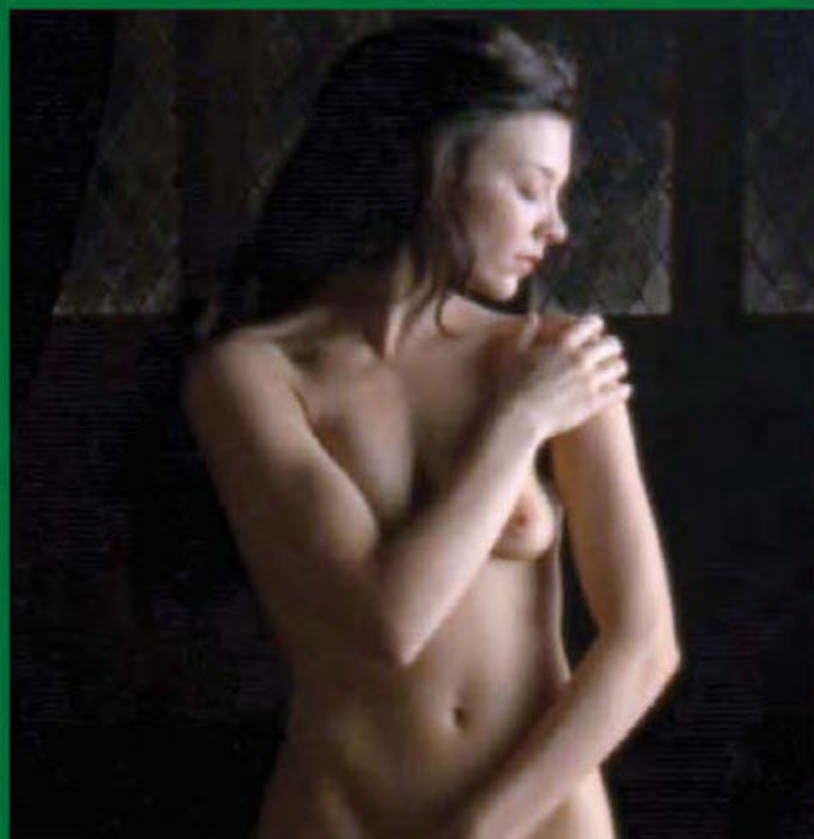

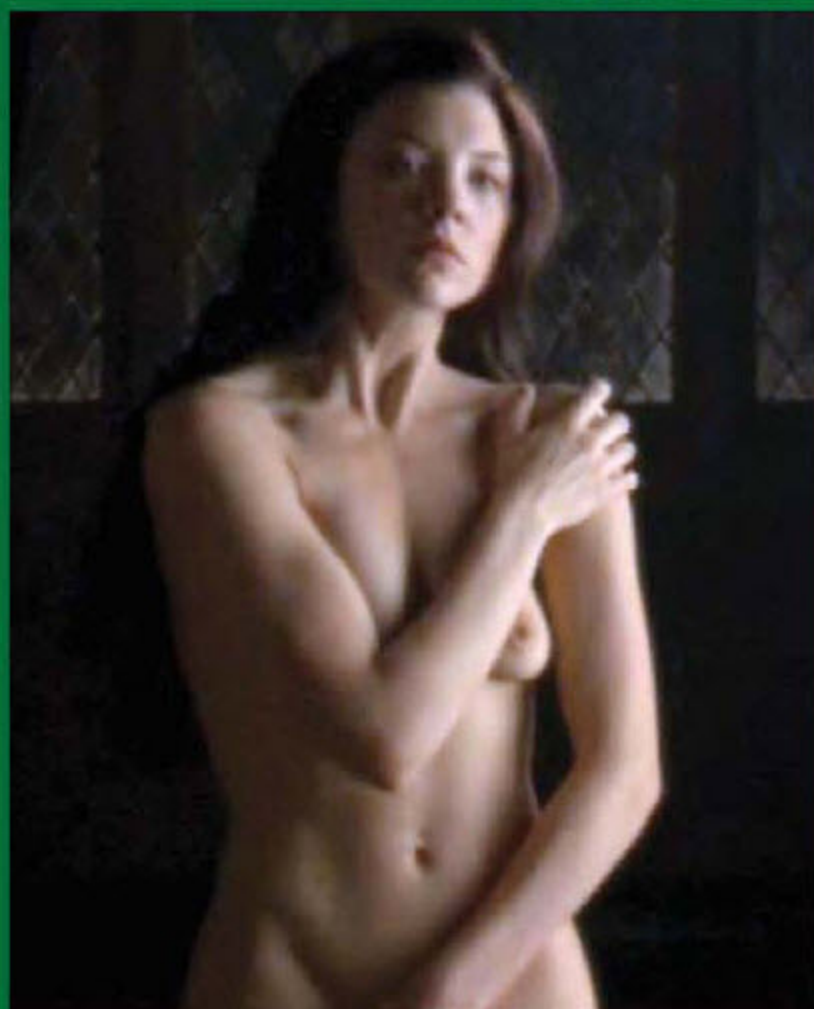

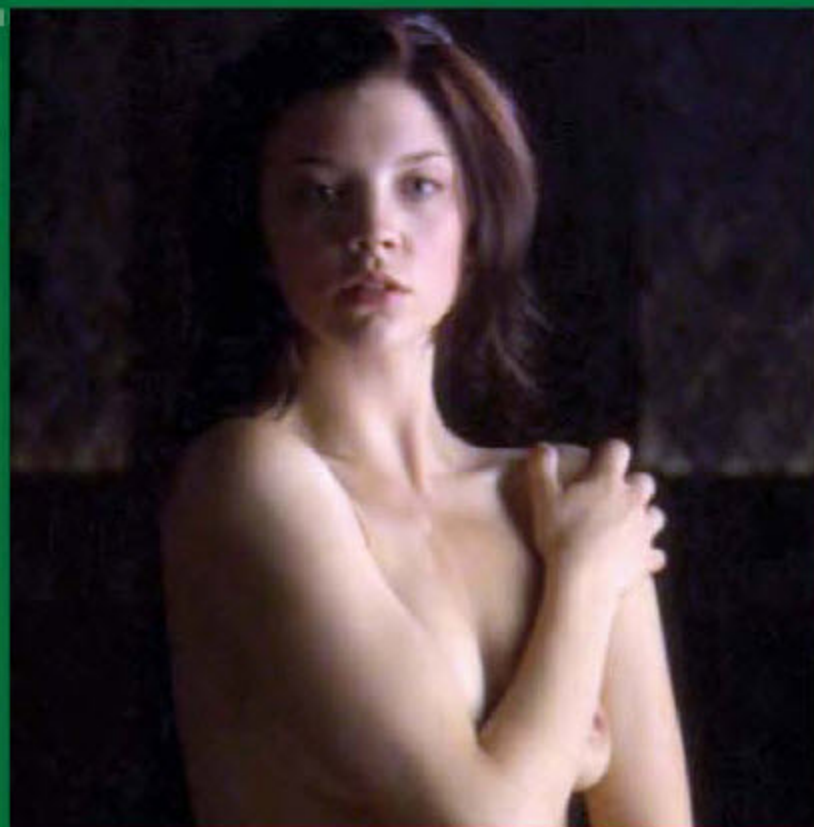

ALI-OOH!: In the indie drama *3-Way* (2004, above), Ali bares her backside to get boned from behind. That'll get you whipping up your own "nutter" butter.... By the way—Ali (Alison Elizabeth Larter) has herself professed: "I love buttercream!"

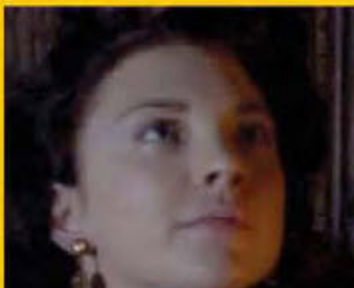

NATALIE DORMER

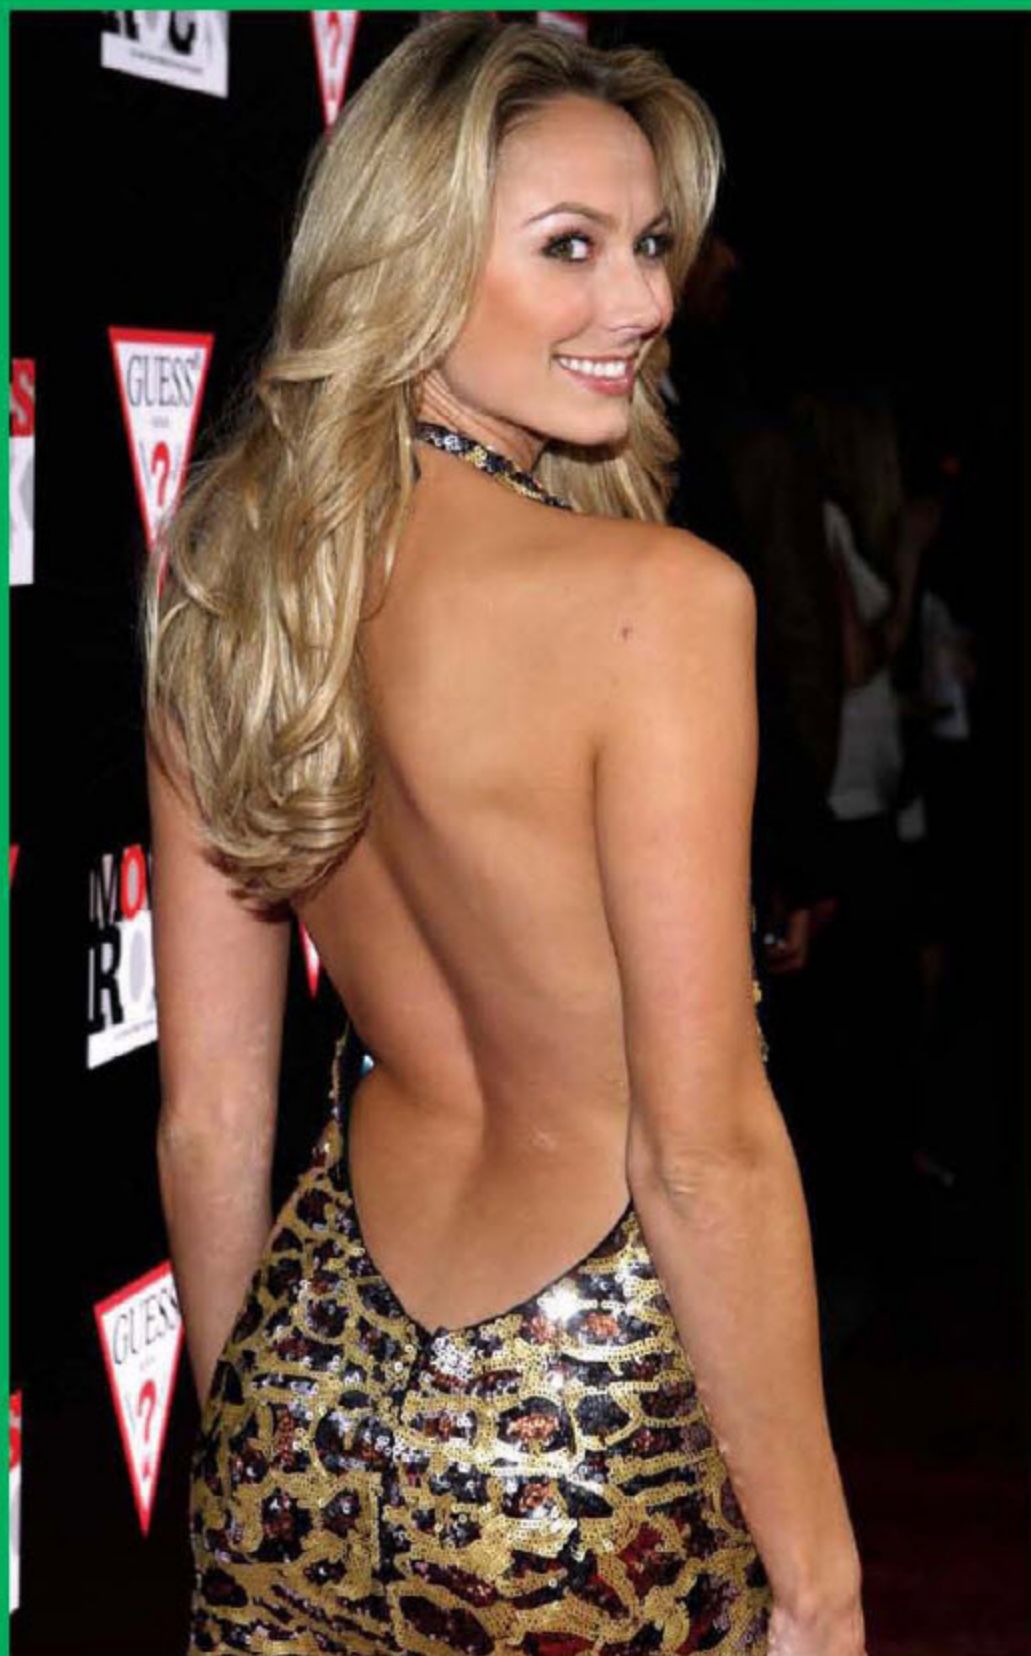

PERIOD PIECE: Showtime's *The Tudors* lavishly chronicles the 16th-century *beddings-'n'-beheadings* of the early reign of English monarch, Henry VIII. Among the noteworthy historic figures who turn *nude-worthy* on the show is Anne Boleyn, played by luscious-bosomed English rose Natalie Dormer. Nat knows her way with a sword (she's a member of the London Fencing Academy and loves the sport), and was a "mixologist" (read: bartender) who boasts: "I can still free-pour a double vodka." It takes a savvy, sly strumpet like Nat (Anne) to satisfy a man who believed he was the supreme embodiment of God on Earth (Henry VIII). *Drool, Britannia!*

— BUY THIS DVD —

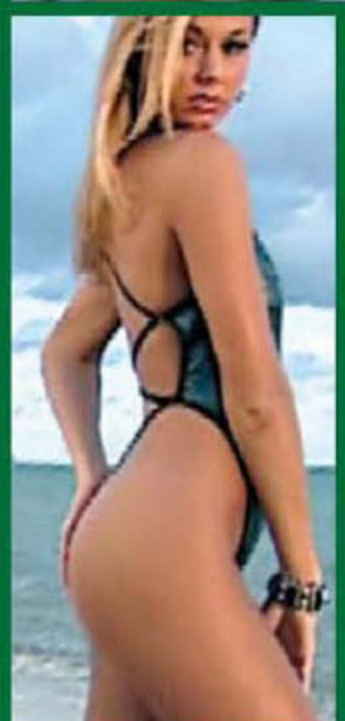

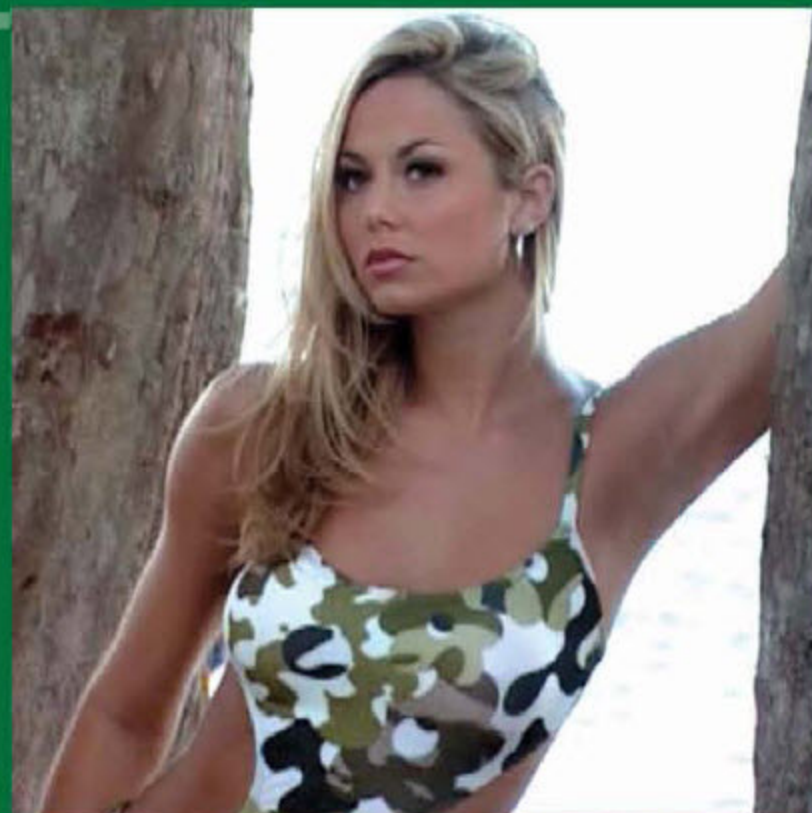

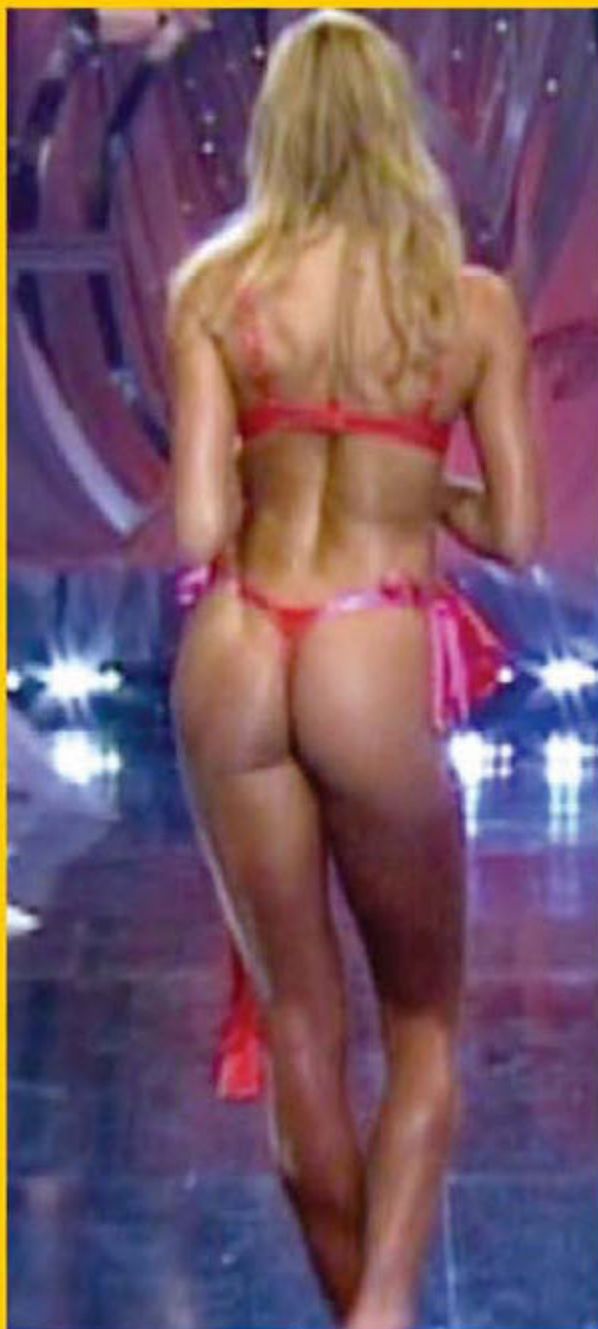

DORMER THE SEX-STORMER GETS WARMER: (On *The Tudors*): "Oh, it's fantastic stuff—all about the young Henry VIII and his brash, vibrant court. It's everything a period drama *shouldn't* be: super-sexy, raw and violent." Exactly why we love it!

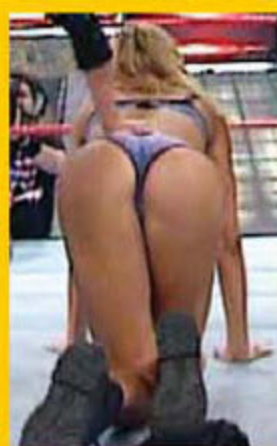

STACY KEIBLER

BEST LEGS IN THE BRAWL BIZ: Ultra-buff stunner Stacy body-slammed libidos as one of the WWE Divas, bringing femme allure to pro wrestling in doses more potent than steroid cocktails. She even led the league from mere muscle-brawling to multimedia sexiness via videos such as *WWF Divas: Tropical Pleasure* (2002, this page) *WWF Divas: Desert Heat* (2003, opposite, bottom) & *WWF Divas: Undressed* (2002, opposite, top). Once she mastered hand-to-hand grappling, Stacy amazed again by proving to be intoxicatingly light on her feet as a comely contestant on ABC's *Dancing With the Stars*. Oh, to be pinned for a three-count by Stacy!

BUY THIS DVD

KEIBLER, DUNKABLE "COOKIE," BUT NO ELF!: "I prefer to keep my clothes on, but fans like to see them coming off! Bouts like the eggnog match & mud match, where we roll around in our underwear in various liquids, are very entertaining...."

KIM KARDASHIAN

ASS-PIRING ACTRESS: Like her bestest and *bare-the-breasteses* pal Paris Hilton, coy Kim's made us all Kar-DASH for the Kleenex on more than one occasion, whether while *ba-boomin'* her *bubble-licious buttocks* on the red carpet or airing her family's *dirt-signer* laundry on *Keeping Up with the Kardashians* (below). Even if her *precious pooper* is the result of surgical magic (NO!), we can't keep our eyes off her, or *it...* nor our hands on the remote control when she's parading *it/parking it* on any number of shows, including *WWF Raw is War*, *Beyond the Break & Sunset Tan*. Reality-wise, this ample Armenian's got timely, totable talent...for touting a *tail tale*!

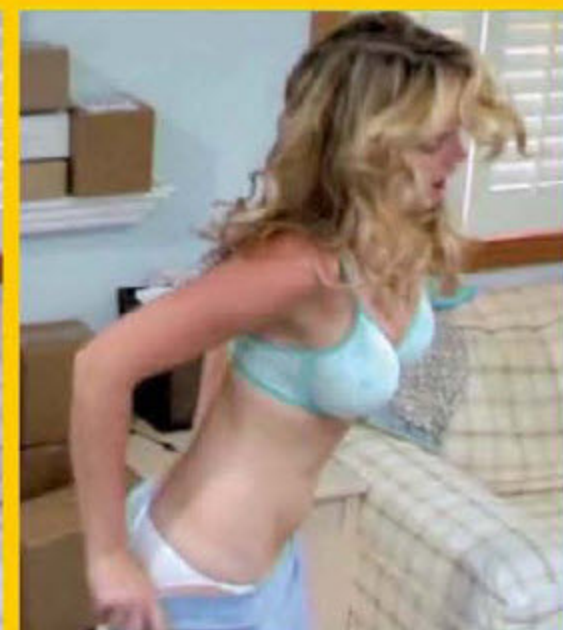

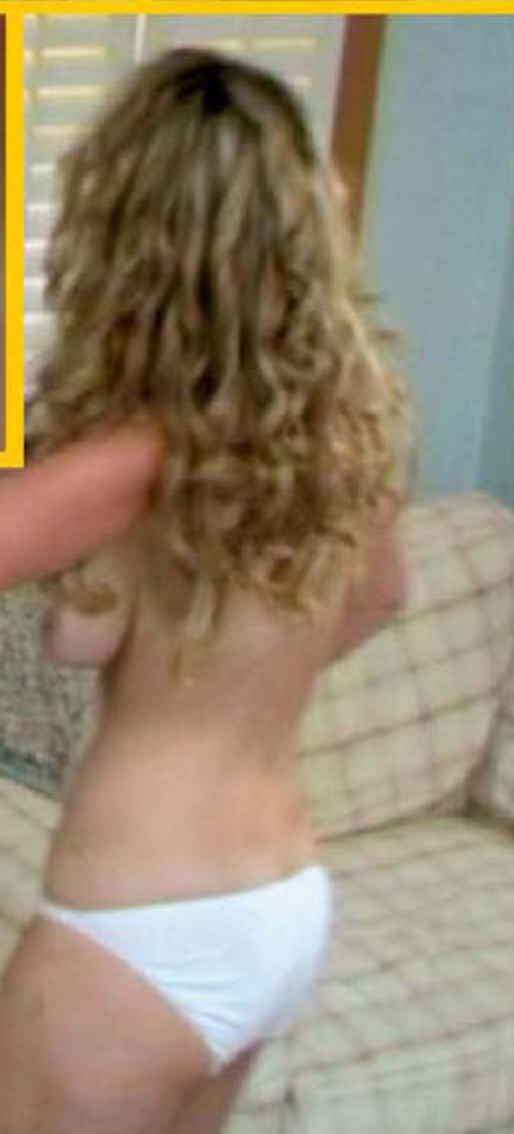

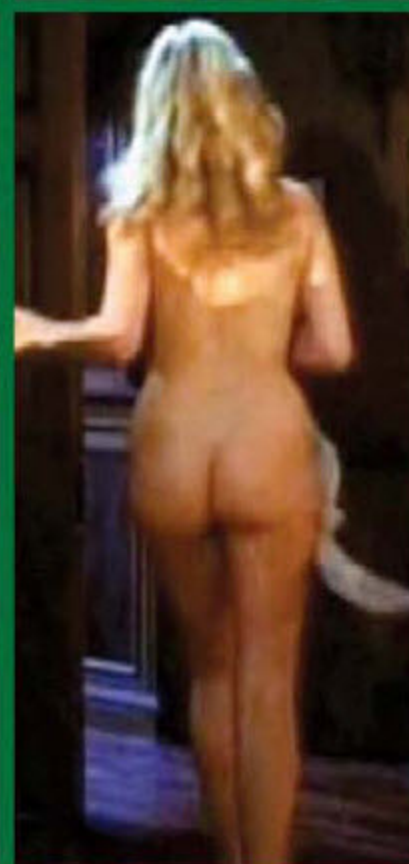

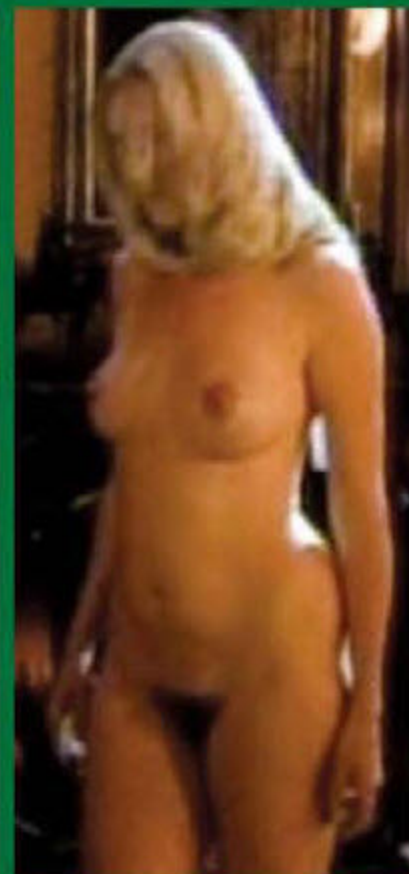

KATHERINE HEIGL

DR. IZZIE, STRADDLIN'!: Katie's one kickin' kitten, and has been pullin' the purrs out of her partisans for over a decade on both big and small screens. But there's nothing teensy about this starlet's *top-heavy talents*; whether tauntin' temptation with her *Tinkerbellian tatas* or strippin' down to her shorts and *over-the-shoulder-boulder-holders* on TV in *Grey's Anatomy* as Dr. Isobel Stevens—or even lashing libidos with a lil' look at her *luscious line-up* on the silver screen as Karly Hert in *Side Effects* (2005, right & below)—Katie's first rate when it comes to solidifying a spot in topless *Skinstory*.

—BUY THESE DVDS—

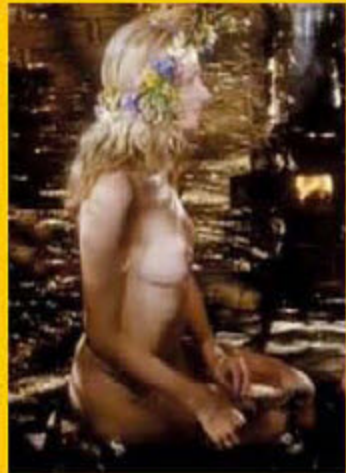

JOELY RICHARDSON

LIBERATED LADY: "I have no problems kissing women!"

LOVELY LINEAGE: Fair-haired & crystal-eyed, with a pert, turned-up bosom & round backside perched atop two long, elegant legs, English rose Joely is the embodiment of continental class, powered by an undercurrent of erotic earthiness all her own. Rising from traditional theater & art cinema, Joely wowed with her all-points-naked breakthrough as the titular hedonist in director Ken Russell's *Lady Chatterley's Lover* (1992, spread). She's the daughter of renowned British thesp Vanessa Redgrave, as well as the sister of the similarly *sumptuous* Natasha Richardson. Cheeri-ohhh!

— BUY THIS DVD —

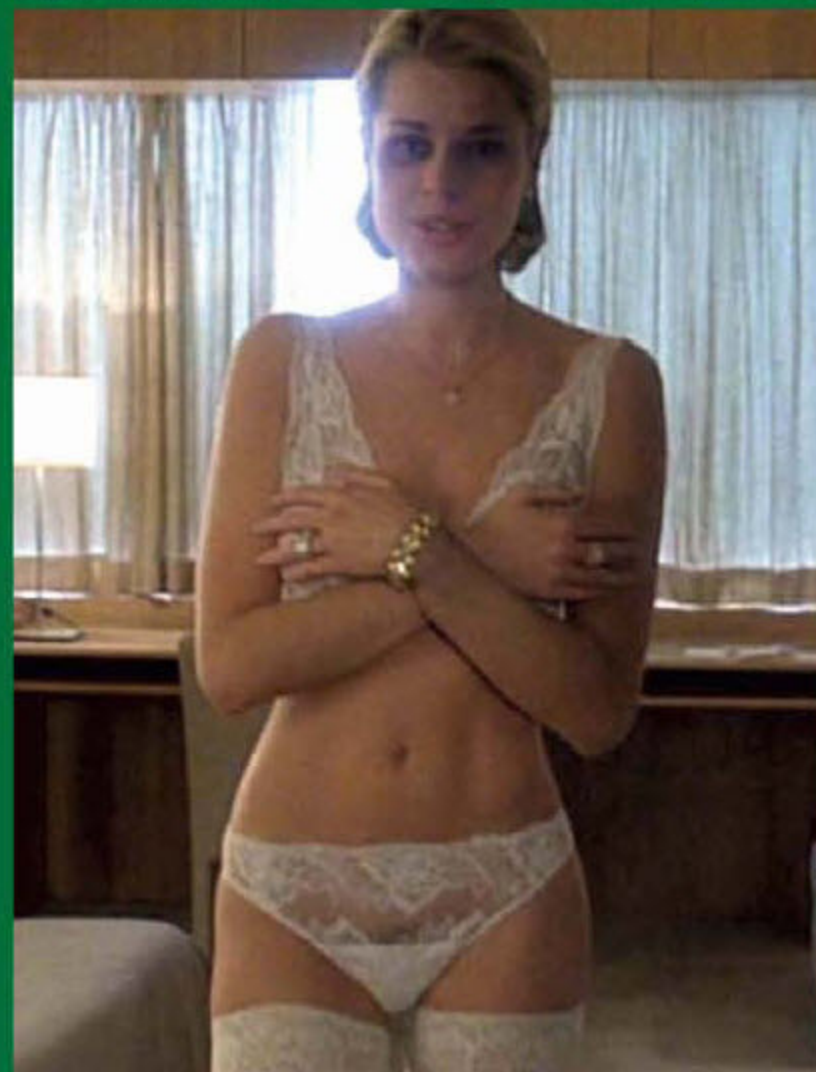

ROLL-Y POLE-Y WITH JOELY: Joely's latest *haute-hot* work finds her starring on the FX series *Nip/Tuck*, where she frequently flaunts her flawless form, & also enjoys *scorching* Sapphic love scenes with Portia de Rossi. *Those nips don't suck!*

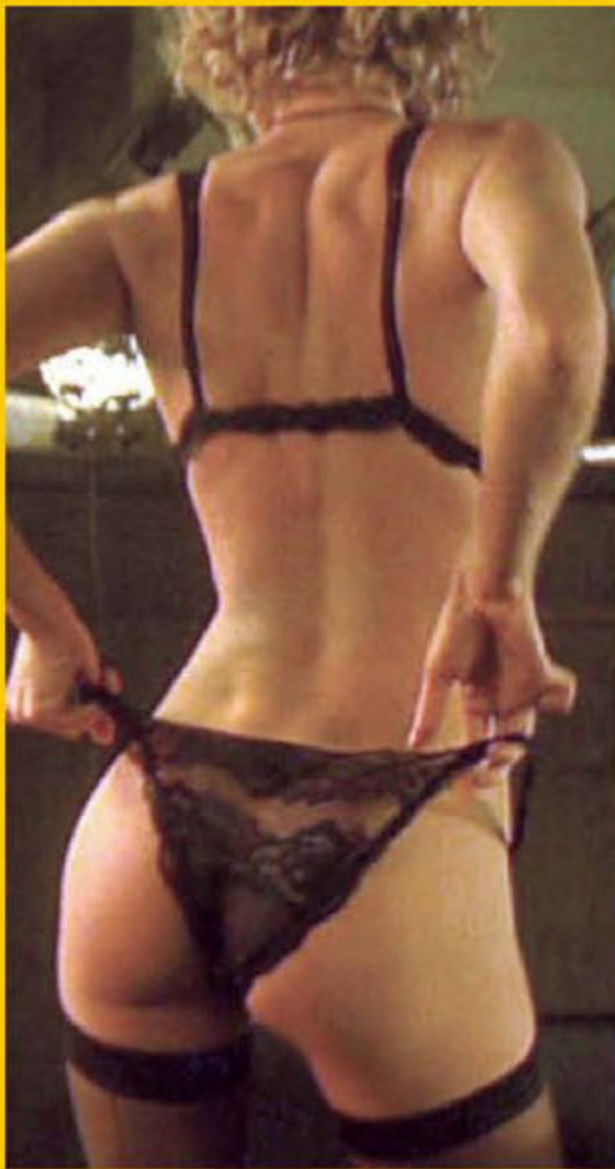

REBECCA ROMIJN

DUTCH? MUCH! The Dutch-blooded ex Mrs. "—" Stamos sexed up all 3 *X-Men* movies (a triple "X," if you will!) as naughty shapeshifter Mystique, slinking, jumping, flipping, punching & kicking her way through the cast—right into our horny-comic-book-geek hearts. As if that weren't enough to make us *beg* to put our dragons in her dungeon, she finely *fleshed out* *Femme Fatale* (2002, all), living up to the moniker with deadly flair while abandoning her inhibitions—and clothes!—for a full-frontal pool sink & *dyke-y muffdive*. Behold more bare Becky with her topless stroll in *Rollerball* (2002). She *really* makes us wanna "go in Dutch!"

BUY THIS DVD

FIRM FATALE: This *bodacious beanstalk* brings her tantalizing talents to the boob tube on *Ugly Betty* as Alexis Meade, who is, of all things...a male-to-female transsexual! Talk about "suspension of the *dangle beneath!*" Her *Nether-glands* astound!

KRISTANNA LOKEN

SMOKIN' LOKEN: Kristanna's been exuding *intergalactic-gasm-level* sexiness on screens both big and small for many years now, starting in 1994 with a small, recurring role on the soap opera *As the World Turns*, to her most recent Showtime *nighttime* soapy jaunt, *As the Legs Spread*, or—as it's known—*The L Word* (this page, all). In between, she tallied up a tall order of TV *tail-end* credits, but left much to be desired as far as unlocking more 'licious Loken loveliness. For that, we turn to her in *Terminator 3: Rise of the Machines* (2003, opposite, top & middle), where she gave *rise* to a whole army of...*Sperminators*....

— BUY THESE DVDS —

TAKES A LICKIN', KEEPS ON SUCKIN'!: As Rayne in *BloodRayne* (2005, above), Kristanna plays a half-human/half-vampire "Dhampir," the lead attraction in a Romanian carnival's freakshow. Her pert, *mouthwatering* nipples often upstage her.

BEAUTIES of the BOOBTUBE!

MICHELLE BORTH

BORTH THE BRAZEN!: Misty-eyed Michelle shows no signs of letting her sexually explicit work on HBO's *Tell Me You Love Me* (2007, spread) shame her into becoming "one of those actresses who never does their loyal fans the solid favor of baring the boobs, booty 'n' bush on screen," seeing as she's currently filming a flick called *A Good Old Fashioned Orgy* for 2009! Honestly—with a body like Michelle's—why keep such *milk-it-worthy magnificence* under wraps? *Tell Me* gives its graphic *sexperiences* a naturalistic touch as it tells the interwoven stories of 3 couples and their shared therapist. Think of Michelle as "a Shannon Tweed" for organic orgasms.

— BUY THIS DVD —

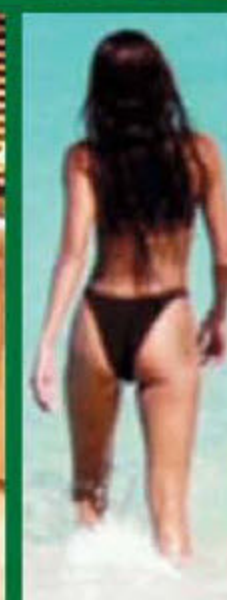

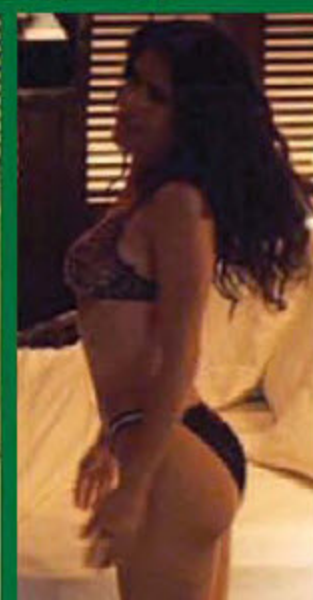

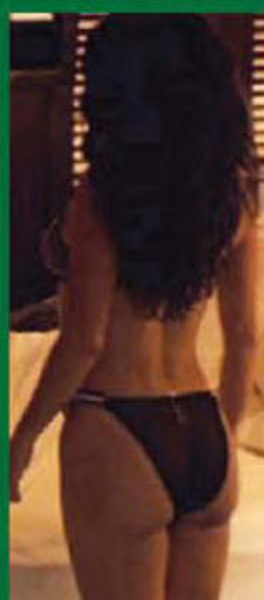

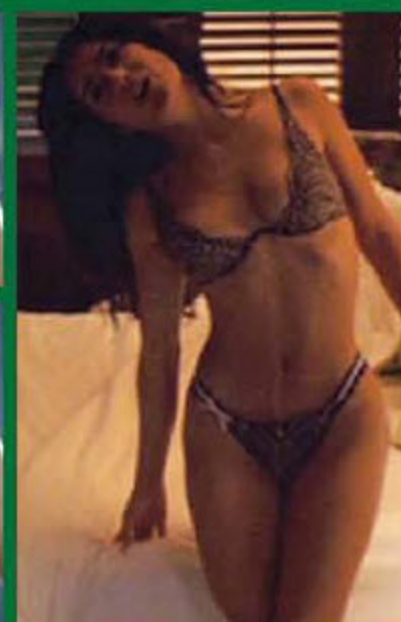

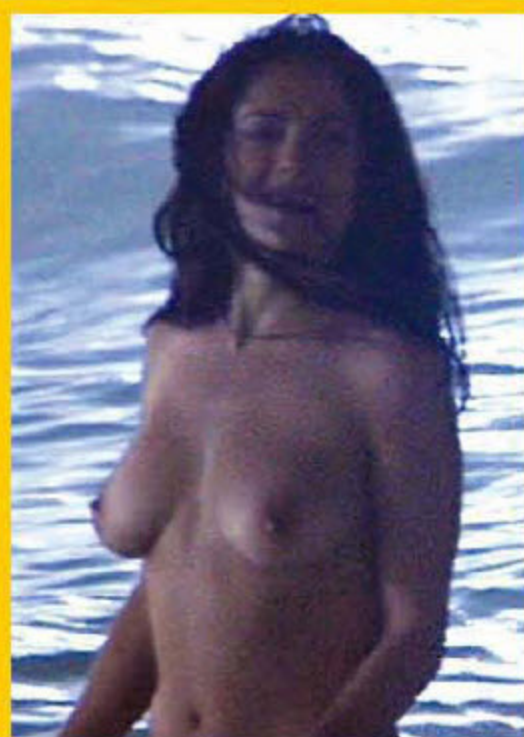

FEEL IT POINT NORTH—FOR BORTH!: Being Jamie on *Tell Me* led film.com to proclaim her “the nakedest person in TV history.” Previously, she was in Burger King’s “Lunch Break” ad campaign; she’s also “the home of some...whoppers.”

SALMA HAYEK

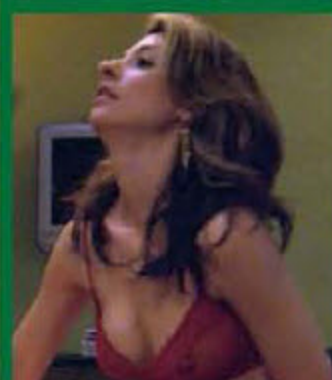

MEXICO'S HOTTEST EXPORT!: This mega-montanas mami has been struttin' her stupendous "structural engineering" since walking away from Mexican TV at the height of her popularity—only to wind up on American TV with *Ugly Betty* (below). Super-sexy Salma's displayed her plump piñatas 'n' delicatas for muy appreciative Americanos, flaunting her sin-cinnamon skin in fiery flicks well worth wanking to—*Desperado* (1995, top right), *After the Sunset* (2004, bottom right) & *Frida* (2002, opposite, top half). We hope, hard, that her hothouse heyday's not behind her, cuz we're desperados for more of her friHOLEles and Carne ASSada.

HAYEK HELPS YA FIND THE "NEEDLE" IN YER "HAYSTACK!": This *dazzling* piece of divinity continues to reign as the *lushest* Latina in the biz, with a *hard-core* fanbase fiending for such *tit-full* turns as Camilla in *Ask the Dust* (2006, above).

— BUY THESE DVDS —

CALLIE THORNE

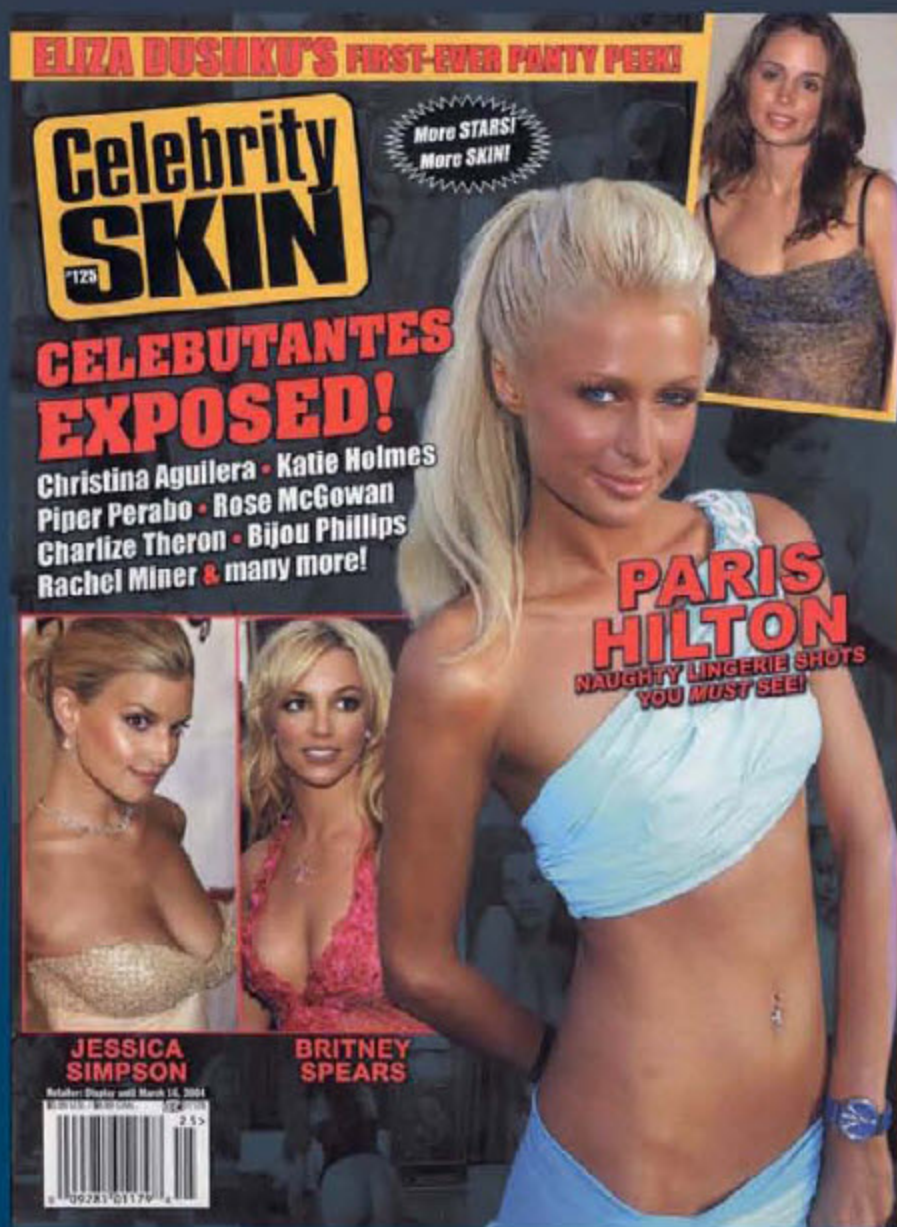

THIS "CALLIOPE" RUNS ON STEAM HEAT!: This tough-as-nails New Yorker is a spitfire with a toned tail and *tip-top-shape* tatas, making her *LUST-SEE* TV for fans who've followed her rising star since she played Detective Laura Ballard on *Homicide: Life on the Streets*. She's contributed just as many *spikes* in boxers & briefs as she has in the Nielsen ratings, keeping us *holdin' our share* for many a *primetime power-pull*. Callie makes commercial breaks sinful segues to the next monkeyspank, sassin' 'n' steamin' up *The Wire* (below) & *Rescue Me* (right), prompting 911 calls to put out fires in pants—& to get that pussy down *on our trees*. Callie rocks!

REALITY CHICKS!

When Warhol stated (in 1968!) that, "In the future, everyone will be world-famous for 15 minutes," reality TV didn't even *exist*. Today, it's a 15-minute *flesh*-forum for these hotties, who might not exist without it!

DENISE RICHARDS

COMPLICATED LADY: Though one might *think* her ferociously contentious divorce & custody proceedings with ex-hubby Charlie Sheen would make her shy away from the press, when it comes to media blitzing, Denise seems to think: The more—the merrier! Currently starring in her very own "it's all about me, me, me" vehicle, *Denise Richards: It's Complicated*, she's garnered further gossip by using the word "c**t"—a *lot*—even as she strives to dispel her homewrecker image. And to think we fell in *lust* with her as the gorgeously nasty, bisexual, troublemaking slut-next-door in *Wild Things* (1998, spread)! Say, "Sorry, Charlie!"—and move on!

BUY THIS DVD

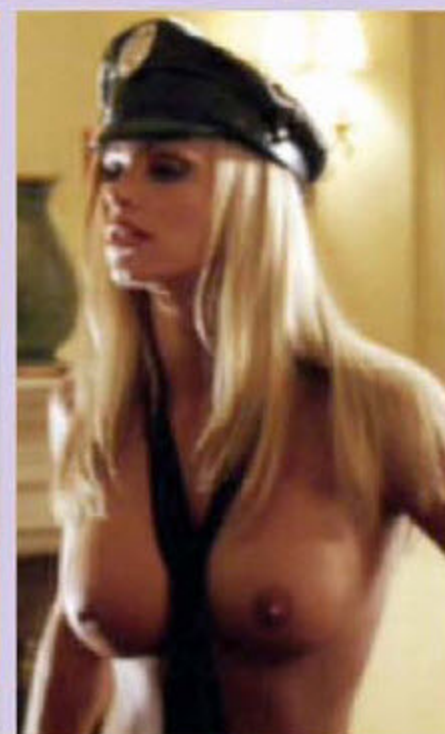

HOT MESS: Voted the "Worst Bond Girl of All Time" by readers of Brit paper *Daily Mail* for her performance in *The World Is Not Enough*, these days, post Sheen and Richie Sambora, Denise kinda has a "bad" reputation. Somehow, *still* a turn-on.

NIKKI ZIERING

MAKE "STICKY" FOR NIKKI!: This cute, *crave-able* castaway from *Celebrity Love Island* has the kind of *coconuts* we'd climb a tree for—and has punched the reality TV time clock more than a few times, always *melting our popsicles* with her tropical toplessness and sunbaked bottom. When naughty Nikki's not acting tawdry on TV or making hearts race with her *rib meat* on the mag rack, she's showing off her *Shaolin-shirtless* style in a kickboxing B-movie—or boilin' over in a bikini for yet another National LamPOON DVD debauch fest, proving that *always unzipped* Ziering was rescued from the Island of Clothing a long, *long* time ago.

THE CHOSEN...BUNS?: Nikki *fleshes out* the tits-&-ass-a-minute requirements in *Spring Break 24/7* (2007, left), & *American Wedding* (2003, above), as Officer Krystal. Speaking of gems, she converted to Judaism to wed (& divorce!) Ian Ziering. Oy!

TAWNY KITAEN

SOBER(?) DISROBER: Tawny's been a *bad Kitt-aen*, tumblin' from the hood of a Jaguar XJ in those immortal Whitesnake videos to the back of the bus, despite what was *once* a TOPLESS-of-the-charts career. Her skin-heavy heroics in movies like *Gwendoline* (1984, bottom right & opposite, all) & *Witchboard* (1986, right & below) made her a fleshy fave and house-'n'-HOSEhold name, as did her "end"-friendly appearances on TV (*Married with Children*, *Hercules*, *Seinfeld*). Today, ripe for a comeback, that's just what this troubled bubblebutt's doin': "Here goes Tawny again on her own/ goin' down the only road she's ever known!" *Long live the Tawny!*

TRISHELLE CANNATELLA

CANDID CANS-ATELLA: This saucy southern belle has a real-life rep as accommodating, tough and pleasant, not to mention—very forthcoming with the flesh, as her clothes are often gone with the wind when she signs up for a movie role. This barnstormin' bra-buster's also a 24/7 TV tease; you'd have to try—*hard*—to miss this lil' miss' Cajun carnality on just about every channel digital cable can throw at mankind. Scantly clad or super mad on *The Real World*, *Fear Factor*, *Lingerie Bowl*, *The Surreal Life* or *Dr. Steve-O*—talk about Pay-Per-Spew! Cannatella's carriage and caboose are welcome on our *hitch* anytime she's in this neck of our WOOD.

Tamie also knows how to keep the wheels greased on her career with a number of sexy stunts on cable and network TV, and even won *Fear Factor* by eating *rotten cheese laced with maggots*...and we'd *still* kiss her on the mouth—true testament to the tastiness of her tidbits! *Black Tie Nights* (2004, top right & below) features Tamie as a date...*guaranteed to mate*!

SHAY LAREN

HER SUCKABLES-CENTRIC SITE: shaylaren.com

36D DELIGHT!: She's so elegant in a black corset that it's hard to believe Shay grew up as an Army brat, traveling with her family all over the world and attending high school in Germany which, perhaps, did wonders toward giving her the hourglass figure and *heaping, more-than-handfuls* of *tittyflesh* that make her St. Pauli Girl *mamm-terial*! Still, Shay's very much an all-American girl, and she seems to enjoy rocking out—we hope with her *knockers out*!—since she lists her favorite bands as Green Day, The Goo Goo Dolls & Korn.

AN OPINIONATED OVERVIEW OF FLESH-HEAVY CINEMATIC ODDITIES RECENTLY UNLEASHED ON DVD

By Brook Avalon

CONFESSIONS OF A YOUNG AMERICAN HOUSEWIFE (1974)

NUDES: Jennifer Welles, Rebecca Brooke, Chris Jordan, Lana Joyce

THE SKINNY: Vintage sexploitation mastermind Joe Sarno's *Confessions of a Young American Housewife* is hailed by nudie-movie historian Jim Holliday as "the most erotic softcore film ever made." And that's one *hard* point to argue with. Rebecca Brooke stars as the queen of a suburban swinging circle who gets usurped when her own mom (early porn icon Jennifer Welles) steals away her daughter's partners. The female cast is all-natural, from their free-bouncing boobs to deliciously abundant bushes, and the heat generated by the sex scenes is very much the real deal.

DELIRIUM (1973)

NUDES: Christa Barrymore, Rita Calderoni, Stefania Fassio, Cristina Perrier

THE SKINNY: Mickey Hargitay—widower of Jayne Mansfield and father of *Law & Order*'s Mariska Hargitay—stars in the psychedelic Euro-sex freak-out *Delirium* as a criminal psychologist who turns criminal himself. His wife (Rita Calderoni) descends into madness at the same time, plagued by visions of all-girl medieval orgies. And from there, *Delirium* gets really weird—as well as more naked, more kinky, and more deliriously delicious to watch.

EXTRAS: Interviews with director Renato Polselli and star Mickey Hargitay

AN EROTIC WEREWOLF IN LONDON (2006)

NUDES: Misty Mundae, Darian Caine, Ruby Larocca, Anoushka, A.J. Khan, Linda Murray, Allanah Rhodes

THE SKINNY: *An Erotic Werewolf in London* showcases New Jersey's reigning B-queen; Misty Mundae stars as a lesbian lycanthrope abroad. Instead of a full moon, however, what triggers Misty to sprout fur in more than *her usual place* is the power of an orgasm, preferably when delivered by the hands and tongue of a fellow female. This *Werewolf* will put hair on your palms.

EXTRAS: 2-disc edition, director and producer commentary, Ruby Larocca interview, booklet, bonus feature: *Night of the Groping Dead*

FORGIVING THE FRANKLINS (2006)

NUDE: Teresa Willis

THE SKINNY: The toothy satire *Forgiving the Franklins* made a splash at the Sundance Film Festival with its tale of the titular family of puritanical zealots who go sensationally sex-mad after a car accident nearly kills them. Leading the newly prurient pack is Teresa Willis as Moms Franklin, who becomes so libidinally liberated that she strolls on a daylight street in all her fantastically fuzzy-lapped full-frontal glory.

HANNAH TAKES THE STAIRS (2007)

NUDE: Greta Gerwig

THE SKINNY: Writer-director Joe Swanberg is part of the emerging low-tech filmmaking "mumblecore" movement, and *Hannah Takes the Stairs* is his loudest statement to date. It chronicles the daily struggles of young Chicagoan Hannah (the gloriously amateurish-in-the-best-sense Greta Gerwig) as she deals with a lame job, romantic complications, and taking baths and showers—sometimes with company. Greta in her altogether is worth way more than a mumble.
